Rev & Reset

Inspired by the classic Gimlet, Rev & Reset swaps gin for vodka to deliver a crisp, ultra-clean profile with fresh cucumber and lime to throw the refreshment factor into overdrive.

Podium Pop

A playful, race-day twist on the classic Lemon Drop—bold with blueberry, bright with lemon, and finished with a sugar rim for that photo-finish sparkle.

Flat-Out

A chilled blend of Aspen Vodka, cold brew concentrate, and coffee syrup delivers a smooth, high-octane hit—finished with a rich crema and three signature coffee beans.

Ghost Lap

This lychee-forward martini glides across the palate with bright citrus and delicate floral notes. Clean, refreshing, and mysteriously smooth, it's a high-speed escape in a coupe.

Mule in the Paddock Alcohol Free

The mule in the Paddock is a lively variation of the classic Moscow Mule, swapping vodka for Almave, a non-alcoholic tequila alternative.
